## Proclamation

DECLARING WEDNESDAY, DECEMBER 7, 2018, AS  
“PEARL HARBOR REMEMBRANCE DAY”

**WHEREAS**, on December 7, 1941, as dawn broke over the island of Oahu, hundreds of bombs broke through the sky as Imperial Japanese Navy Forces launched an unprovoked aerial attack on an American naval base at Pearl Harbor, launching America into a conflict that would forever change the course of human dignity, freedom and history. While the bombardment lasted only two hours, it was devastating – destroying nearly 20 American naval vessels, including eight battleships, and more than 300 airplanes. The surprise assault resulted in the deaths of 2403 unsuspecting and innocent military personnel and civilians alike, and wounded an additional 1178 others; and

**WHEREAS**, on December 8, 1941, while addressing the United States Congress concerning the surprise assault on Pearl Harbor, President Franklin D. Roosevelt requested that Congress declare war on Japan, stating, in part, *“Yesterday the United States of America was suddenly and deliberately attacked.....No matter how long it may take us to overcome this premeditated invasion, the American people in their righteous might will win through to absolute victory. I believe I interpret the will of the Congress and of the people when I assert that we will not only defend ourselves to the uttermost, but will make very certain that this form of treachery shall never endanger us again.”* On that day, December 8, 1941, Congress approved President Roosevelt’s request for declaration of war, and the United States had officially joined World War II; and

*WHEREAS*, although America may have had been unprepared for war, in response to the declaration of war, the American people summoned a great national effort in military strength, and patriots from every corner of our Nation answered the call to serve and band together in common cause. Sixteen million Americans left behind everything they knew and loved in order to fight for freedom far from home and liberate a continent from the grip of tyranny. Individuals from all backgrounds and walks of life courageously crossed oceans and stormed beaches, uplifting a generation and paving the way for our fiercest adversaries to become some of our closest allies; and

*WHEREAS*, the sacrifices of our military personnel at Pearl Harbor became a prelude to those that America's brave fighting forces were to endure around the world for the next three and one-half years -- and in the example of those who came forth in those months and years following the attack on Pearl Harbor, we saw an enduring truth: that no challenge is too great when we stand as one people, committed to the ideals which the stars and stripes symbolize, and we remember that strength, vigilance and devotion will forever keep America the land of the free and the home of the brave; and

*WHEREAS*, it is appropriate to recognize and honor America's Greatest Generation who, through sacrifice, valor, dedication and determination courageously defended our Nation and preserved our freedom; and also to honor those American patriots who died as a result of their service. We resolve that we will keep faith with those we have loved and lost and resolve that, always, we will remember Pearl Harbor and the Global conflict of World War II.

*NOW, THEREFORE, I, KERRI WARREN*, as Mayor of the City of Willows and on behalf of the Willows City Council, do hereby proclaim December 7, 2018, as "Pearl Harbor Remembrance Day" in the City of Willows, and I call upon the citizens of Willows to observe this solemn occasion with appropriate ceremonies and activities and to pledge eternal vigilance and strong resolve to defend our Nation and its allies from future aggression.

*IN WITNESS WHEREOF*, I have hereunto set my hand and have caused the seal of the City of Willows to be affixed hereto this 27<sup>th</sup> day of November, 2018.

---

*Kerri Warren, Mayor*

d. By Motion, temporarily suspend enforcement of WMC 8.20.020

Due to the massive loss in the community of Paradise, City Manager Peabody requested temporary power, to *not* enforce Willows Municipal Code 8.20.020, which states that if a trailer or an RV is in the street for more than 48 hours it must be moved. Peabody requested the City have an Administrative Use Permit allowing families up to 60 to 90 days to adjust their loss.

Hansen agrees that this is the right thing to do.

Williams had concerns and discussion was made on the evacuee providing proof of residency. Williams was also concerned about the resources for proper dumping of the waste. Peabody explained there will be a portion on the Use Permit that states they are not allowed to dump

the grey water or black water. There are pump stations that will come out and pump for them and will have those resources available.
