Why recycle?

- State law now requires all businesses that generate 4 or more cubic yards of waste weekly to recycle.
- Recycling may provide opportunities for your business to save money.
- Recycling helps conserve resources and extends the life of California’s landfills. It also helps create a healthy environment for our community and future generations.

How to get started

It’s easy to recycle at your business.

- Make sure your business has arranged for recycling services (see below for more information).
- Use the list on the other side of this flyer to help employees learn what items can be recycled.
- Separate recyclable items from trash inside your business.
- Place your recyclable items in external recycling containers for collection.

Note: Any business or individual may donate, sell and/or otherwise arrange for the pickup of recyclable materials.

Where to go for more information

Contact
Waste Management - Corning Disposal
Monday - Friday • 8:00 a.m. – 5:00 p.m.

Visit www.countyofglenn.net/dept/public-works for more information from Glenn County Public Works
Solid Waste & Recycling.

For additional general information about recycling and waste reduction, visit the California Department of Resources Recycling and Recovery (CalRecycle) at www.calrecycle.ca.gov.
Types of material to recycle

- Clean, dry paper
- Cardboard and chipboard
- Plastic and glass bottles and jars
- Metal and aluminum cans
- Metal containers and empty aerosol cans
- Plastic bags and dry cleaners bags, bundled

Don’t put in recycling bin

- Broken glass
- Contaminated or wet paper
- Plastic hangers
- Rubber tires
- Hazardous waste — paint, batteries, antifreeze, pesticides, cleaning products, appliances, cell phones, TVs, computer monitors
- Do not place rubber tires or hazardous waste in recycling bins. For information on proper disposal or recycling of these materials, call (530) 934-6530.
