

FLSA: EXEMPT

CITY OF WILLOWS
COMMUNITY DEVELOPMENT SERVICES DIRECTOR

*Class specifications are only intended to present a descriptive summary of the range of duties and responsibilities associated with specified positions. Therefore, specifications **may not include all** duties performed by individuals within a classification. In addition, specifications are intended to outline the **minimum** qualifications necessary for entry into the class and do not necessarily convey the qualifications of incumbents within the position.*

DEFINITION:

Under administrative direction from the City Manager, supervises, assigns and evaluates the work of staff engaged in building permitting and inspection, recreation, the maintenance, repair, construction and operation of a number of services, including streets, water, wastewater, parks, storm drain system in the Community Development Services Department; performs inspections of ongoing public works projects to ensure compliance with standards; ensures safe work practices, work quality and accuracy; serves as a technical resource for assigned work crews and the City Manager; performs other related duties as required. May act as City Manager in his/her absence and perform other job-related work as required.

This position is designated as un-represented for Labor Relations purposes and is considered exempt under the Fair Labor Standards Act (FLSA).

DISTINGUISHING CHARACTERISTICS:

The **Community Development Services Director** is the management level position responsible for assigning directing and supervising the work of employees engaged in building permitting and inspection, recreation, the maintenance, repair, construction and operation of buildings, equipment and infrastructure for the City's streets, water, wastewater, parks and storm drain system. This classification is distinguished from the next higher class of City Manager in that the latter has overall responsibility for administering the City's operations.

SUPERVISION RECEIVED/EXERCISED:

Receives administrative direction from the City Manager. Exercises direct and indirect supervision over assigned staff.

ESSENTIAL FUNCTIONS: *(include but are not limited to the following)*

- Accepts management responsibility for assigned activities, including planning, assigning, supervising, and monitoring the work of building permit technicians, building inspectors, crews and contractors responsible for building and equipment maintenance, and the construction, repair, maintenance and operation of City streets, water, wastewater, parks, and storm drain system.
- Is the Legally Responsible Official (LRO) for wastewater, water and storm water.
- Assists in the administration of the Department's budgets; oversees and completes the preparation, submission and implementation of all budgets for the building department, building and equipment

COMMUNITY DEVELOPMENT SERVICES DIRECTOR

maintenance, water, wastewater, parks and streets divisions; prepares and/or reviews contracts, agreements, resolutions, ordinances, and bid documents for assigned divisions; assists in monitoring the approved budget; coordinates with outside vendors for various supplies and services; requisitions and orders needed materials, parts and equipment.

- Prepares budget and scheduling estimates on assigned projects; obtains a thorough knowledge and understanding of applicable construction plans, contracts and documents; establishes budget goals for applicable maintenance projects as required; prepares preliminary plans for future expansion of the water and wastewater system as it relates to treatment, storage, source and supply, pumping, and well equipment.
- Participates in the selection, training, and evaluation of personnel; assumes responsibility for motivating and evaluating assigned personnel; provides necessary training; initiates disciplinary procedures as is appropriate.
- Recommends water and sewer rate adjustments; maintains complete records of the water system and wastewater treatment infrastructure; provides coordination of water and wastewater utility division programs and projects.
- Recommends and assists in the development and upkeep of short and long-range maintenance schedules for buildings, equipment, streets, parks, water, wastewater, and storm drain facilities.
- Responds to the more difficult questions and concerns from the general public, contractors, vendors, and outside agencies; provides information as is appropriate and resolves public service or operational complaints; establishes and maintains a customer service orientation within assigned divisions.
- Establishes positive working relationships with representatives of community organizations, state/local agencies and associations, city management staff, and the public.
