

City of Willows Public Works will begin Leaf Pick up on Wednesday, November 01, 2023. Please rake only street leaves into piles for collection. Piles shall consist of LEAVES ONLY. Brush, sticks, rocks, bricks, metal and other debris can damage the leaf truck causing delays in pick up. Place leaf piles out in the gutter 2 to 3 feet from the curb. Disposal of private tree leaves, lawn clippings and brush are the responsibility of the property owner.

Thank you, Public Works Staff
