City of Willows Partners with Glenn County Sheriff's Office, Office of Emergency Services, and Cal Water to Celebrate National Night Out

(Willows, CA) - On Tuesday, August 6, the City of Willows will partner with Glenn County Sheriff's Office, the Office of Emergency Services and Cal Water to highlight public safety and "take back the night" from crime and criminals. National Night Out (NNO) culminates annually on the first Tuesday in August.

"National Night Out is a tremendous opportunity for the community to meet law enforcement under positive and friendly circumstances and get to know our neighbors so that we can better participate in the public safety of our entire community," commented Mayor Hansen.

NNO enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring public safety officers and neighbors together under optimistic conditions.

"Participating in the public safety of our community is everyone's job. National Night Out reminds us of that and strengthens the partnership between law enforcement and residents," stated Vice-Mayor Hutson.

National Night Out is an annual nationwide community-building campaign that promotes strong policing-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live and work. Together, we are making a difference!
