PUBLIC HEARING

Date: October 18, 2023

To: Planning Commission

From: Byron Turner, Principal Planner

Subject: Design Review/Exterior Site Improvements/ File #DR-23-03/110 W. Sycamore Street

Recommendation: Staff recommends the Commission receive the Staff Report, attachments, discuss, and upon conclusion, adopt the attached resolution.

Rationale for Recommendation: WMC Chapter 18.141.030(1) requires Design Review approval from the Planning Commission for physical improvements or change of or to existing buildings, structures and other physical improvements shall be subject to design review, whether or not a building permit is required. The General Commercial District is intended to be applied in areas where commercial facilities are necessary for public service and convenience.

Background:

The previous business at the subject location has ceased and a new business (Red 88 Restaurant) will be operating in the existing commercial building. The new business is proposing exterior changes to the site and the building which requires Design Review approval.

Project Discussion:

The applicant proposes to utilize the existing 2,200 SF commercial building for the new restaurant, which is a permitted use in the CG District.

The business will be open six (6) days a week from 11am to 9pm. Red 88 Restaurant is expected to employ at least 10 part-time and 15 full-time staff. All building permits for remodeling and occupying the building have been secured. The purpose of this permit is to change the exterior colors to match the business's existing color scheme of red, black, and white.

Design Review Analysis:

Competent Design: There is no proposal to redesign the existing commercial building. The interior has been remodeled for restaurant use.

Relationship Between Structures Within the Development and Between Structures and Site: No new structures are proposed with this project.

Relationship between Development and Neighborhood: This is not a new development project but rather exterior visual changes to what is existing. The changes fit-in with the surrounding downtown and will not change the neighborhood character.

Materials and Colors Used: The applicant will be painting the roof trim and wood panel a shade of red "timeless ruby", and the bricks black with white mortar. The repainting will enhance the building. A rendering of what is proposed is attached.

Wall, fences: No new walls or fences are proposed with this project.

Surface Water Drainage: No change.

Drives, Parking and Circulation: Access is off West Sycamore Street. A new ADA compliant parking space will be installed.

Signs: New signage is proposed for the new business name. A sign permit has been applied for and is currently being processed, pending approval of the Design Review Permit.

Exterior Lighting: Appropriate lighting is necessary for safe operation during times of darkness. The site is equipped with the necessary lighting, inside and out, and provides a safe environment for the customers and employees and discourages loitering.

Landscaping: 2 new planters are proposed with this project. Any trash accumulating on the property and landscape areas will be removed promptly, with any graffiti removed from any place within 48 hours.

Per Section 18.141.070(1) An application for design review may be approved, approved with modifications, conditionally approved, or disapproved.

Environmental Review

The project has been reviewed pursuant to the California Environmental Quality Act (CEQA). City staff has determined that the proposed project is exempt from further CEQA review and qualifies as a Categorical Exemption pursuant to Section 15301, Class 1, Exiting Facilities.

Fiscal Impact:

There is no impact to the city as this project has a PTA deposit on file for processing.

PC RESOLUTION NO. XX-2023

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF WILLOWS GRANTING DESIGN REVIEW APPROVAL (FILE# DR-23-03) TO RED 88 RESTAURANT FOR EXTERIOR BUILDING AND SITE IMPROVEMENTS FOR PROPERTY LOCATED AT 110 W. SYCAMORE STREET, ASSESSORS PARCEL NUMBER 003-005-008/GENERAL COMMERCIAL ZONE

WHEREAS the applicant, Red 88 Restaurant (Kanapa Yungvanitsait), has filed for Design Review approval for exterior building and site improvements on subject parcel; and,

WHEREAS City of Willows Municipal Code Chapter 18.141.030 states that all new buildings, structures, and other physical improvements shall have design review approval from the Planning Commission; and,

WHEREAS the Planning Commission did, on October 18, 2023, hold a public hearing to consider all public oral and written comments, letters and documents, staff reports, and all other documents and evidence which are a part of the Record; and,

WHEREAS the Planning Commission has reviewed all evidence submitted in connection with the application, including public testimony, staff report, supporting documentation, City codes and regulations, and all other relevant documents and evidence which are part of the record of proceedings; and,

WHEREAS the Planning Commission finds that the Design Review proposal is considered exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15301 and 15311.

NOW THEREFORE, BE IT RESOLVED, that the Planning Commission of the City of Willows does hereby find that the Design Review proposal for exterior building and site improvements is consistent with the City of Willows General Plan, the City of Willows Municipal Code, and hereby approves Design Review file# DR-23-03 subject to the attached conditions of approval set forth in Attachment #2.

IT IS HEREBY CERTIFIED that the foregoing Resolution was duly adopted at a regular meeting of the Planning Commission of the City of Willows on Wednesday, the 18th day of June 2023, by the following vote, to wit,
